OSAC is pleased to launch a new title for the Fall 2017/Spring 2018 School Touring Season – **OSAC Performing Arts in Schools!**

In 2016/17, OSAC toured 115 presentations representing the following disciplines: Music, Issue-based Theatre for Elementary and Middle Years-High School, Circus Arts and 1-day Dance Residency. Total audience numbers were 27,766. There were five tours, traveling to 64 communities throughout Saskatchewan. Lead teachers in each school contributed approximately 122 non-classroom hours to coordinate these presentations.

Each year, Saskatchewan students, many of whom live in rural areas, enjoy music, dance, drumming, mime, theatre, magic, storytelling, and circus arts performances. Each fall and spring, professional performing artists from Saskatchewan, Canada and beyond, are selected to tour for their artistic excellence and special ability to interact with and relate to student audiences. Study guides, with suggestions for pre- and post-concert discussion and activities, are sent to schools before each tour. Block booking helps to lower the fee/performance because travel expenses are amortized over two or three weeks. School centres pay a \$30 annual associate member fee when they book, and a \$10 fee is added to the price of each concert. For over 49 years, OSAC has nurtured the traditions of presenting excellence in the performing arts for adults, children and family audiences in various genres and disciplines. **OSAC** annually presents over 300 live community and school performances, attended by a total audience of approximately 75,000. This is possible because of a dedicated network of volunteers committed to making culture an integral part of Saskatchewan community life, and vital funding from **Saskatchewan Lotteries**, **Saskatchewan Arts Board**, and **Canadian Heritage**. **Saskatchewan Lotteries** benefits more than 12,000 sport, culture, and recreation organizations around the province. Each year 600,000 people participate in programs and from activities initiated by these organizations, over \$1 billion of economic activity is generated, and 23,000 jobs are sustained.

District Websites: The links to SaskCulture Sport, Culture and Recreation Districts are available at <http://www.sasksport.sk.ca/districts.php> **Your school may be eligible for funding through your district.** If you are uncertain as to which district you can apply to, please contact: Marianne Woods, Performing Arts-Junior Concerts & Membership Liaison Coordinator, OSAC, Phone: 306-586-1258; Fax: 306-586-1550, E-mail: marianne@osac.ca
I look forward to hearing from you!

DuffleBag Theatre adapts fairy tales and classic stories using members of the audience in the main parts, thereby creating a spontaneous and energizing theatre experience for audiences of all ages. No one is chosen ahead of time, so when a show begins, the narrator invites an unsuspecting audience member on stage to play one of the main parts. They are given a costume, props and guidance from the narrator as they perform on stage with the **DuffleBag** actors. Improvisation is the key to **DuffleBag Theatre** because whatever the audience cast members do is incorporated into the show. Since the whole audience participates during the show as well, the results are captivating and hilarious. With **DuffleBag Theatre**, adults enjoy the performances just as much as the kids do! The “nearly world-famous” **DuffleBag Theatre** has been performing since 1992, starting at the London International Children’s Festival in London, Ontario. Now based in Toronto, **DuffleBag** performs over 600 shows a year, across Canada, the U.S. and internationally. Marcus Lungren is the Artistic Director.

DuffleBag also offers bilingual productions performed in both French and English. For this tour, they will offer *Cendrillon* (Cinderella). All shows are performed with the same sense of fun, innovation, and participation that audiences (nearly) the world over have come to expect!

DuffleBag has toured previously with OSAC’s Performing Arts in Schools in 2002 and 2011, to rave reviews.

Themes: Comedy, Conflict Resolution, Classica, Communication, Creativity, Drama, Imagination, Language Arts, Narrative, Spontaneity, Storytelling, Teamwork.

“a fish-out-of-water story – about a dog in a school”

Grades 7-12

Touring April 30-May 11, 2018

The town is overgrown by forest. The school is in a cage. Now a wild dog has figured out how to get through the fence... what has she gotten herself into? One versatile performer and three chalkboards tell a goofy and heartwarming story about a 23-year-old principal and a wild bear-dog in Northern Saskatchewan. **A study guide is available in advance from the OSAC Office.**

Notable comments include:

- “Don’t miss it... this one is a must-see”

-“it hooked me from its opening moments”

-“This wonderfully simple, compelling performance has plenty of laugh out loud moments but might just bring a wee tear to your eye.”

Danielle Roy - Performer: Danielle is thrilled to dive into the adventure of *The Wild Dog Waits on the Concrete Path* and once again have the opportunity of working with Theatre Howl.
